### **Soccer Clinics**

#### **Happy Feet Soccer**

Happy Feet is designed with a 'kid friendly' curriculum to ensure kids are having fun while developing essential physical skills. The soccer activities incorporate classic nursery rhymes, songs, and children's games adapted to incorporate a soccer ball and basic motor skills development. Fun songs and games stress basic motor skills and introductory soccer touches. Happy Feet is a perfect starting point for developing skills as it is non-competitive and uses fun techniques to train advanced motor skills, dynamic dribbling, shooting skills and fitness.

#### **Legends Skills Academy**

This program is designed to be the next step up from Happy Feet soccer. For grades K - 2nd, the program is designed to rapidly improve the player's deceptive dribbling ability on the ball and make him/her a tremendous goal scorer. This is done through the combination of 5 different elements of learning: demonstration, repetition, correction, reinforcement, and experimentation.

Tremont Area Park District is proud to partner with Happy Feet and Legends Soccer to offer this program to our youth.
