### **Own a Piece of Turkey Festival History**

The new turkey cooking grills purchased this year have proven successful and now the old grills need to go. There are approximately 40 grills available and they will each be sold as a package consisting of a grill, a stainless steel rack, a burner, and a supply hose for \$25 (cash or check made out to Tremont Betterment Association). The grills could continue to be used as they are, with a gas burner, they could be converted back to being charcoal burners, or a creative mind might come up with a completely different use for them.

A special "Buy a Grill" night will be held on **Tuesday, July 18 from 5-8 PM at Horton Trucking** on the west edge of Tremont. This will be your only chance to purchase one of these classic turkey cookers.

The grills are very solidly built (and very heavy) but are starting to show their age. They are approximately 48" wide, 28" deep, and 32" tall. Some may differ from this a little as there are a few variations in style due to design changes over the years.

First come, first pick.

Please help spread the word.
