Learn to Program with Micro:Bit (Grades 4-8)

Saturdays, 9:30 -11:30AM: February 16, March 16, April 13, May 11

Learn how to design, build, and program using Micro:Bits! New projects every month. Space is limited, and registration is required for each session. Participants will need a laptop and a Gmail account* and should be comfortable with computers. Grades 4-8.

Sessions are free. Micro:Bits provided. Optional, one-time \$10 materials fee includes a Micro:Bit project kit to keep.

For more info or to register, call 925-5432, message us on FB, or email tremontlibrarychildrens@gmail.com

* To help our sessions start on time, we strongly suggest participants have their account username and password saved to the laptop they will use during Coding Club OR know it by heart (without adult help). If the child will need help logging in, please come early so they're ready to go at 9:30. Thanks!

Early Childhood Screening

Tremont School District #702 will be holding an Early Childhood Screening on Thursday, February 7, 2019.

All children ages 0-5 living in District #702 are eligible. This is not a Turk Center or Kindergarten Screening. The purpose is to screen developmental levels in motor skills, general knowledge, social skills and speech/language skills in order to access the need for special education services. Further evaluation may be recommended. If you have concerns in the areas listed or would like reassurance that your child is progressing well, you can call and make an appointment.
