Sampson St. Commemorative Pavers - Deadline: August 5th

A new seating area, featuring engraved pavers, on the 100 block of South Sampson near the Methodist Church parking lot is set to be completed soon. The first round of bricks to be engraved are being sent off the week of August 5.

If you are interested in participating in this Winning Communities fundraiser, forms can be picked up and/or dropped off at the Village Hall. The cost is \$125 for a brick with your personalized engraving that will be placed on the newly landscaped area. Funds raised by this initiative aid in the completion of the landscaped area and annual upkeep of all the recently completed beautification projects along the 100 and 200 block of S. Sampson downtown.

Your consideration is greatly appreciated by the Winning Communities Board. Hurry, the first round of engraved bricks are set to go out the week of August 5. Fill out your form by Friday, August 2.

Community Health Status Assessment

Community Status Assessment Survey

We want your feedback!

What is a Community Status Assessment?

Every three years, this survey is distributed to seek public input to identify community health needs. We will use the results to better understand and address these needs throughout the tri-county area.

To complete the assessment, simply scan the QR code below to access the survey and respond to the questions. The survey will take about 10 minutes.

Your voice matters.

All responses are anonymous and confidential.

Your input helps us meet the health needs of Peoria, Tazewell and Woodford County residents.

Partnership for a Healthy Community healthyhoi.org

Tazewell County Health Department is currently conducting their Tri-County (Peoria, Tazewell, Woodford) Community Health Status Assessment. This assessment is done every 3 years and gives the individuals in our county the opportunity to share what health needs are impacting their community the most. Based on those responses, TCHD then chooses what public health interventions are needed in which areas of the county.
